STARRING **ZHANG Hanyu** (*The Captain, Operation Mekong*)

YUAN Quan (*The Captain, The Continent, The Last Tycoon*)

ZHU Yawen (*The Founding of an Army*)

LI Chen (*The Eight Hundred, Sky Hunter*)

On New Year's Eve in 2020, an unknown virus spreads from Wuhan to other places. The number of patients is increasing at an explosive rate. People are horrified by the powerful and highly infectious virus.

The unprecedented survival crisis causes grief and panic. A little-known infectious disease hospital, Jiang Han, is chosen as a designated hospital. ZHANG Jingyu, president of the hospital, suffers from Amyotrophic Lateral Sclerosis (ALS). Together with the Respiratory Department director, young interns and head nurse of the ICU, ZHANG faces numerous challenges and accidents while he perseveres to save patients at the frontline.

In the midst of the time of the Spring Festival travel rush, facing the threat of the unstoppable epidemic, critical decisions must be made immediately before dire consequences occur.

Ke-Fang SUN (*Sen Sen, The Rope Curse*)

On Shoying's 70th birthday, she receives the shocking news of her long-lost husband, Bochang's death. What's worse, there is another woman, TSAI, who stayed by Bochang till his last breath. A merry reunion now turns into a ten-day wake, an unfortunately perfect time for the family to face their complicated mother-daughter relationships.

Ching, the oldest of the three daughters, has learned to downplay everything in her life to deal with an intrusive mother as Shoying. Yu, the perfect middle child, finds herself at odds with Shoying regarding her teenage daughter. Jia Jia, the youngest, fights Shoying to fulfill her father's dying wish to come home. The three daughters remind Shoying of Bochang in different ways. She goes on the quest to find out who TSAI is. Will Shoying get the closure she has longed for all her life?
